I'd like to thank my family and friends who have contributed inspirationally in my educational path. My deepest thanks to ...

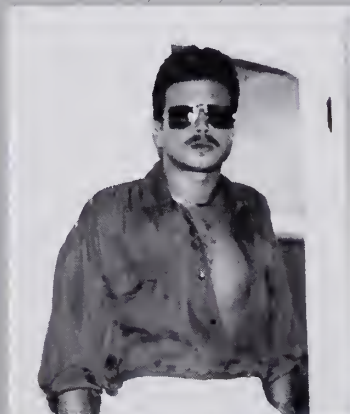

My mother for preparing me and my father for the open door

My sis for looking out for me.

Jennifer for growing with me and blessing my graduation with our newborn.

The Lord Jesus for my strength and keeping me humble enough to learn

Thanks, you guys made it happen!!!

These last four years would have not been possible without the help from several people. I'd like to first of all give thanks to the good Lord for his constant guidance. Without it I would not have gotten through. I give special thanks to my father and mother for their constant support and for the sacrifices they made to send me through ICO. I'd like to thank my two brothers for their support and inspiration. Finally, and certainly not least, to the girl I love and best friend, Susan. You made my stay at ICO that much more easier and fun. Thank you for your advice, support and love you have given me.

President

May 6, 1988

Dear Student:

The I.C.O. Board of Trustees has approved the operating budget for the 1987-88 academic year which reflects a tuition increase of five percent. Therefore, the 1987-88 tuition will be \$12,090.

Also after careful review of the parking fee, it has been determined that the parking cost will be \$125 for the 1987-88 academic year.

May I again remind you that I fully understand the financial constraints faced by the majority of our students and that the above fees reflect our pledge to keep tuition and other costs at an absolute minimum.

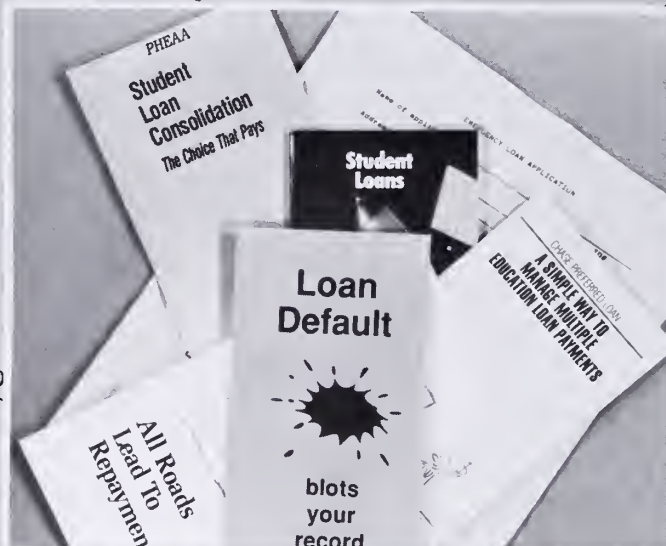

My best wishes for a pleasant summer.

CLASS OF 1991

The class of 1991 has gone through many changes since we have entered Illinois College of Optometry three years ago. Whether the changes have been for the better or worse the important thing is we've made it! Through the past years each of us has grown both individually as well as professionally and along the way we have developed long lasting friendships. As we continue on ... let's make this year to come something special to remember.

Sports Vision Club

The Sports Vision Club is a new and growing organization at ICO. The club provides vision screenings to not only area athletes but professional athletes as well. We screen the athletes visual function and determine if it is possible to improve that function with vision therapy or optical correction.

Club screenings this year have included University of Illinois Chicago Basketball and Hockey teams, all DePaul University athletes, Lincolnway High School Baseball, the Montreal Expos as well as some individual athletes. The high point of the year is the trip for eight students to Florida to screen the Expos.

The club sponsors group trips to sporting events, blindspots and the occasional public speaker.

The club looks forward to continuing to provide the services necessary to the Chicago area athletes and growing even more in the future.

Michigan Club

The Michigan Club was re-established at ICO in 1988 to promote Optometry and student involvement in the State of Michigan. Members have helped in supporting TPA Legislation in Michigan and other Mid-Western states, raised money at the annual Phone-A-Thon, attended almost every convention and congress this year, and had fun doing it. The Michigan Club also sponsored the chairperson of the State Board of Examiners in Optometry to address ICO on issues involving Michigan. The officers and members for 1989-90 are: Lori Latowski; President; Donna Carver; Vice President; Rebecca Thompson; Secretary; Karen Cash; Treasurer; Sue Mithoff; Yvonne Kwapis; Peter Vergos; Michael Caister; Teresa Ennis; Bricker Buseth; Allison Buck; Jesse Mantel; Cindy Logan.

Advisor: Dr. Boyd Banwell.

Fellowship of Christian Optometrists

One of the main purposes of the Fellowship of Christian Optometrists is to maintain and promote fellowship among optometrists and others in the ophthalmic profession who believe in the Gospel of Jesus Christ. Another goal of FCO is to help optometrists become established in mission work which combine eye care and the sharing of the Gospel. These goals are met, here at ICO, by holding weekly Bible studies and organizing trips to a Haitian mission called Christianville.

Raymond Riley:

Congratulations! We know it was hard work and a lot of sacrifice but you did it! Now that you are at the beginning of a new career, always put your faith in the Lord and in everything you do. Keep in mind that "If God is not the builder of the house, the workers labor in vain." Blessings and best wishes for the future.

Love, Mommie & Poppie

Lynn Finnegan:

"In spite of the many changes in the eye care profession today, it's the relationship between practitioner and patient that ensures safe and successful contact lens wear.

"We believe the role of CIBA Vision is to support that relationship without ever disrupting it."
